Subject: College AP Deadlines

Colleagues, please find attached the [College AP deadlines](#) for the 2011-12 year. As in previous years, we set our college deadlines in advance of the campus deadlines to provide the time to process this important work. Please contact your divisional analyst with questions specific to your department and contact Teresa Wheeler concerning lecturers.

Our College staff will continue to update our website (link below). We encourage you to utilize this excellent resource as needed and truly welcome your feedback and suggestions!
