Unit 18 Lecturer Workload Policy
Ecology and Evolutionary Biology

The workload for Unit 18 Lecturers teaching in courses taught through the department of Ecology and Evolutionary Biology (EE BIOL subject area) is 6 courses, with no more than 2 courses for 100% time allowable in any one academic quarter.

All courses are counted as one (1) course with the following exceptions. One course is compensated at 50% pay for the quarter.

Exceptions:

Courses with two (2) or fewer units are counted as one-half course each. Half courses are compensated at 25% pay for the quarter.

Courses taught together as half of a 16-unit Field Biology Quarter (FBQ), Marine Biology Quarter (MBQ), or Field and Marine Biology Quarter (FMBQ), will be compensated at 100% for the quarter. These courses may be taught either as one (1) 8-unit course, or two (2) 4-unit courses.
