May 18, 2010

Unit 18 Lecturer Workload Policy
Molecular, Cell and Developmental Biology
Effective Date: Winter 2011

The workload for Unit 18 Lecturers teaching in courses taught through the department of Molecular, Cell and Developmental Biology (MCD BIO subject area) is 6 courses, with no more than 2 courses for 100% time allowable in any one academic quarter.

All courses are counted as one (1) course with the following exceptions. One course is compensated at 50% pay for the quarter.

**Exception:**
1) Courses with two (2) or fewer units are counted as one-half course each. Half courses are compensated at 25% pay for the quarter.
